Dear Friends,

**Take a Swing at Cancer, Inc. (TASC)** is pleased to announce the **20th Annual Golf Tournament** to benefit TASC beneficiaries. TASC is a small, local, grassroots, 501© (3) non-profit organization. Our purpose is to provide direct financial assistance to families and individuals who incur costs while battling cancer. We are an all-volunteer entity so we keep our overhead costs low and maximize funds provided directly to those in need.

**Since our official inception in 2001, TASC has provided over \$500,000 directly to our beneficiaries!** Years later, 800+ individuals and families fighting cancer have received direct financial assistance. When a family is faced with the physical and emotional challenge that a cancer diagnosis presents, the last thing they should have to worry about is how to pay the bills. Often a cancer diagnosis prevents a patient or parent from continuing to work which, in turn, creates a cascade of financial difficulties. At that time, these families turn to TASC for assistance. These are the words written by one of our beneficiaries:

*Thank You. Cancer is a devastating enough disease, compounded by the financial burden to the family when the sole "bread winner" and insurance carrier is disabled by it. With your help we were able to pay bills, buy food, and put gas in the car for a few weeks.*

Now, more than ever, we rely on the generosity of people just like **you**.

The **Golf Tournament** will be held on **Monday, June 10, 2019** at the **Brookmeadow Country Club in Canton, MA**. We have set a lofty fundraising goal of \$20,000 for the 2019 tournament so we can help a growing number of families in need. **I ask that you support TASC Golf Tournament by becoming a sponsor, a donor or a golfer.** Spread the word to colleagues and friends. Challenge others to match your generosity.

Become part of our hearty TASC crew and have some great fun with some great people at the 19th Annual Golf Tournament. I encourage you to contact us at **508-293-1459**, or via email at [dannyblood@takeaswing.org](mailto:dannyblood@takeaswing.org) or [golf@takeaswing.org](mailto:golf@takeaswing.org). Your contribution will make a significant impact in our mission to help those battling cancer.
